

Nixon Willing To Run In Case Of Deadlock

CHICAGO (AP)—Richard M. Nixon, declining to state his choice among contenders for the Republican presidential nomination, says he would accept if delegates selected him to break a convention deadlock.

The former vice president, however, said Sunday the race is between Sen. Barry Goldwater of Arizona and Gov. William W. Scranton of Pennsylvania and that he doesn't see a "strong third force" that could deadlock the convention.

In a television interview on "Forum," a program broadcast locally in Chicago by station WBKB, Nixon said:

"In the event that the convention fails to find in any of the present candidates a man who can unite the party at the convention, and if the party leaders turned to me, then I would undertake the responsibility of the nomination and I would conduct an extensive campaign.

"That conclusion has not been reached, and I do not believe it will be. I think that one or the other (Goldwater or Scranton) will be the candidate."

Canada Lures U.S. Factories

ST. LOUIS (AP)—Sen. Stuart Symington, D-Mo., said Sunday that a Canadian tariff system is luring United States auto parts factories to Canada.

Symington spoke to a meeting of United Auto Workers Local 25 at St. Louis. The senator said he was sure the U.S. Treasury Department and the department of Commerce would act to stop the advantages of the system.

"The Canadian plan went into effect last Nov. 1," Symington said. "It has already succeeded in taking thousands of jobs from this country."

Symington said he had heard reports that Canada planned to extend the tariff plan to the aviation and chemical industries.

The senator said that under the tariff plan, Canadian auto manufacturers are given rebates on parts they must import. This, Symington said, increases the export of other auto parts.

Canadian subsidiaries of U.S. auto manufacturing companies are eligible for the tax rebate, Symington said.

"As but one example, when it moved its entire automobile operation (including parts manufacture) from this country to Canada, the Studebaker management gave one of its major reasons for moving as the advantages which come from this tariff rebate," Symington said.

Scranton Opens 6-State Hunt To Line Up Support

SCRANTON, Pa. (AP)—Gov. William W. Scranton today opened a six-state quest for delegate support in his bid for the Republican presidential nomination.

Pennsylvania's chief executive pointed his campaign westward into regions generally claimed by his No. 1 opponent, U.S. Sen. Barry Goldwater of Arizona.

Scranton, after making a commencement address at Allegheny College, Meadville, Pa., was to go to Des Moines, Iowa, to confer with the Iowa delegation to the national convention.

Speeches Every Day
Tuesday he will be at Topeka, Kan., and Minneapolis, Minn. Wednesday, he goes to St. Louis, Mo., and Denver, Colo., and on Saturday he is booked to keynote the Massachusetts GOP convention. Aides said there was a possibility other states would be included on the week's tour.

Scranton said he would speak every day this week, unless the work of the Pennsylvania Legislature prevents it.

He has admitted he started late in the campaign and has a long, uphill fight. But, he has said, "I am a good, hard, fast runner."

Scranton's aides contend the

Pennsylvanian has more than 105 delegates, but they are banking on strong second ballot support at the San Francisco convention to put Scranton into the top spot.

Response Encouraging
Goldwater presently holds a long lead in delegate strength, with 619 votes, according to the latest Associated Press poll. This is only 36 short of the number needed for nomination.

The Associated Press poll gives Scranton 113, compared to 127 for Gov. Nelson A. Rockefeller of New York, the No. 2 man in the delegate race.

Scranton, who announced his candidacy last Friday at the Maryland GOP convention in Baltimore, said, "The reaction has been fantastic." Appearing on the American Broadcasting Co. television program, "Issues and Answers," the governor said Sunday he has been buoyed by the response of Republicans throughout the nation.

He said he feels most of the delegates for Goldwater "are not completely committed to him" and he feels that through campaign speeches and personal contacts with delegates to the national convention he can "pull back some delegates."

Soviet Premier Starts On Tour Of Scandinavia

MOSCOW (AP)—Soviet Premier Khrushchev headed for Copenhagen today, starting an 18-day Scandinavian tour during which he is expected to plug for a ban on nuclear weapons in the countries he is visiting as well as central Europe.

Accompanied by his wife, Nina, and a party of Soviet officials, Khrushchev left Moscow by train Sunday night. He will board a ship today at Kaliningrad and is due in the Danish capital Tuesday morning.

A cheering crowd of Muscovites saw the 70-year-old Soviet leader off on his third foreign trip in three months. Khrushchev visited Hungary in April and the United Arab Republic in May.

As he tours Denmark, Norway and Sweden, Khrushchev probably will try again to crack the North Atlantic Treaty Organization's northern defense ring by asking the Scandinavian countries to join in turning the Baltic into a sea of peace.

Khrushchev has often urged a ban on nuclear weapons in central Europe and Scandinavia. He has been particularly anxious to prevent the spread of nuclear weapons to West Germany, a NATO member. Nuclear weapons also would be banned from Communist East Germany under Khrushchev's proposal.

Although there is considerable anti-nuclear sentiment in Scan-

dinavia, NATO members Denmark and Norway have been unwilling to act independently of their Atlantic alliance partners on the nuclear-free zone.

Neutral Sweden officially supported a nuclear-free central and northern Europe as far back as two years ago. It has always insisted on firm controls to prevent cheating.

Khrushchev will spend six days in each country, ending his tour in Sweden July 4.

Weather Wet In Wide Area

By The Associated Press
More thunderstorms and showers covered wide areas in the eastern half of the nation today in the wake of violent weather in many parts of the Midwest.

The wet belt extended from western Pennsylvania to northern Illinois and from southwest Iowa to the Texas Panhandle.

Tornadoes hit rural areas near Bloomfield, Iowa, and Sand Springs, Okla., Sunday, causing some property damage. No injuries were reported. Funnel clouds were reported in parts of Ohio and Nebraska.

Torrential rains drenched parts of Kansas and Missouri.

Lansing Meeting To Be Attended By Gov. Scranton

WASHINGTON (AP)—Gov. William Scranton of Pennsylvania has announced he will visit Lansing, Mich., June 26 for talks with Gov. George W. Romney and leaders of Michigan's delegation to the Republican national convention.

Romney sent telegrams Friday to Scranton and three other candidates for the GOP presidential nomination, inviting them to meet with the state's GOP delegation June 26.

Daughter Lynda Busy In Hawaii

LIHUE, Kauai, Hawaii (AP)—President Johnson's 20-year-old daughter, Lynda Bird, vacationed on the garden island of Kauai today on the fourth day of a Hawaii visit that has the trappings of a political tour.

Lynda, has made a speech, shaken hundreds of hands, signed scores of autographs, laid wreaths at monuments, and met with top state and city officials.

She rubbed noses with Tongan and Maori children at the Polynesian Cultural Center at Laie across the island from Honolulu.

Lynda, here officially to participate in the Little White House Conference on Children and Youth at the University of Hawaii, planned to spend today and the next three days on neighbor islands swimming, skin diving and sightseeing.

Hoffa Defense Fund Started

DETROIT (AP)—A Teamsters Union group began a drive Sunday to raise \$70,000 for President James R. Hoffa's legal fees, charging Hoffa was a victim of a government attempt to "destroy the American labor movement."

A "Hoffa Defense Fund" drive was announced at a meeting of 1,800 Teamster stewards at the auditorium of the union's headquarters.

Proceeds, sponsors said, will be used to aid in paying Hoffa's legal costs in his court trials since the union itself has stopped paying the bills because of a government ruling that this is illegal.

Each steward was given a kit containing a list of union members for solicitation and a letter about the campaign.

Detroit, Hoffa's home base, has many thousands of Teamster members.

The "Hoffa Defense Fund" letter said the government is trying to destroy the labor movement through a "vicious attack" on Hoffa. The letter said the fund is intended to aid Hoffa's "fight for a basic democratic principle—the right to a fair trial."

Mock War Cost Is 54 Million

WASHINGTON (AP)—Recent Army-Air Force war games in the Far West cost about \$54 million and were the most costly since World War II, it was learned today.

The Associated Press was told this was the price tag on Desert Strike, a two-week mock war in which some 100,000 Army troops and Air Force units duelled over areas of California, Arizona and Nevada last month.

The Defense Department said it originally had been calculated the exercise would cost \$60.1 million, but that various economies had sliced about \$6 million from that estimate.

By comparison, "Exercise Big Lift" last fall cost \$20 million. In this operation, the 16,000 men of an armored division were flown 5,600 miles from Texas to Germany and returned after maneuvers near the Iron Curtain.

The Pentagon said "the major

Goldwater Set To Pick Up 56 Texas Delegates

WASHINGTON (AP)—Sen. Barry Goldwater is expected to corral 56 delegate votes in Texas Tuesday and, by current count, push past the magic total needed to win the Republican presidential nomination.

But not all of this first ballot strength is irrevocably bound to the Arizona senator, and Gov. William W. Scranton of Pennsylvania will be hapscooting the country this week, trying to pick off some of the delegates now in the senator's column.

Since Scranton launched his drive for the nomination last Friday, however, he has gained little more than a score of votes—and only one of the delegates who lined up behind the governor was for Goldwater earlier.

Now Has 619

The senator's total meanwhile ballooned to 619 by Associated Press tally. He needs 655 for nomination and is favored to win all of the 56 votes to be designated in Texas and most if not all of the 14 to be assigned in Montana Friday and Saturday.

Those two conventions wind up the delegate selection process for the Republican National Convention opening July 13 in San Francisco.

The AP survey of the 1,238 delegates already chosen showed this first ballot lineup

based on primary election commitments, instructions, pledges and stated preference:

| | |
|-----------------------|-----|
| Goldwater | 619 |
| Nelson A. Rockefeller | 127 |
| Scranton | 113 |
| Henry Cabot Lodge | 46 |
| Margaret Chase Smith | 15 |
| Richard M. Nixon | 13 |
| Favorite sons | 93 |
| Uncommitted | 212 |

Scranton and Pennsylvania State Chairman Craig C. Truax claim that only 250 of Goldwater's votes are from legally bound delegates. "There is a certain slippage of feeling for Goldwater," Scranton said.

Few Shifts To Scranton
Replies to a spot check of delegates following Scranton's announcement showed no headlong rush away from Goldwater, however.

There also were a few shifts from previously uncommitted delegates to Scranton's banner, notably four in North Dakota. Goldwater backers across the nation contended the senator's delegates would stand fast.

The weekend conventions went about as expected. Goldwater gained support ranging from solid to unanimous at state conventions in Idaho, Utah, New Mexico, Virginia and Missouri. He picked off four of Connecticut's 16 and five of Maryland's 20. Scranton appeared before both conventions, winning 12 in Connecticut and four in Maryland.

Only in Minnesota, where forces favoring an uncommitted stand were victorious, did Goldwater fail to win support. Even there he has eight previously elected district delegates.

Husbands Beaten By Negro Mob On Bright Broadway

NEW YORK (AP)—Two men, who knocked down two Negroes for allegedly molesting their wives as they walked along brightly lit Broadway Sunday night, were mobbed and beaten by eight Negroes minutes later. Dozens of strollers watched.

As the two men's wives screamed for help, one bystander did call police.

The victims were Michael Massa, 30, and his wife, Ann, 27, and Edward Costa, 38, and his wife, Margaret, 30, all of Brooklyn.

By the time police came, the attackers had fled. The Costas and Massa were treated at a hospital for face and body cuts. Costa was detained for X-rays.

Measures Pile Up Awaiting Senate Action

WASHINGTON (AP)—Senate Democratic leaders drive this week for passage of the civil rights bill, and so confident are they of victory, they already are turning their attention to other major administration legislation.

A tremendous pileup of House-approved measures is awaiting Senate action once the civil rights bill is passed.

All sides, including the Southerners who have fought the bill since March 9, concede it will pass this week, with Wednesday or Thursday considered the most likely day.

Goldwater Not Satisfied

Sen. Barry Goldwater will vote against the measure unless it is materially revised, his campaign manager said Sunday night. Denison Kitchel said Goldwater, Arizona Republican who is seeking the Republican presidential nomination, objects to the bill's provisions on public accommodation and private employment practices. No revisions are likely on these provisions.

Among the "must" measures waiting their turn in the Senate is the \$53-million federal pay increase bill the House passed last Thursday. The Senate Post Office and Civil Service Committee has given tentative approval to much of the measure, but has additional sessions scheduled.

Assistant Senate Democratic Leader Hubert H. Humphrey of Minnesota said hearings also may start soon on the President Johnson's \$962-million anti-poverty legislation.

Amendments Beaten

The House Rules Committee meets on this Tuesday and is expected to clear it for House floor action, probably next week.

After the Dixie filibuster against the rights bill was halted last Wednesday by cloture, the Southerners centered on amendments as their means of striking at the bill.

In all, 51 were presented, but except for minor revisions acceptable to the leadership, the amendments were beaten back, sometimes by lopsided votes.

As the Senate convenes today, 365 amendments stand eligible for consideration. The bulk of them probably will not be put to the test.

Lodge Denies He's Resigning

SAIGON, South Viet Nam (AP)—U.S. Ambassador Henry Cabot Lodge today termed "totally untrue" a Washington report that he was resigning within 30 days.

"There is no truth at all in that," Lodge said through a spokesman.

Lodge repeatedly has denied similar reports in the past.

On one recent occasion he said "I am not resigning but I don't plan to stay here the rest of my life, either."

The New York Times had reported that Lodge had asked to be relieved within 30 days for reasons of health. The White House in Washington said President Johnson had received no letter of resignation.

The Columbia Broadcasting System reported from Saigon that Lodge said the report he had submitted his resignation was "totally untrue."

The American Broadcasting Co. said Lodge, talking Sunday night in Saigon with ABC correspondent Charles P. Arnot, denied published reports that he was returning to the United States before the Republican National Convention. Lodge made no mention in the taped interview about resigning, an ABC spokesman said.

Williams May Join Michigan Fall Campaign

LANSING (AP)—Former Gov. G. Mennen "Soapy" Williams may take a leave of absence from his present State Department duties to help Michigan Democrats in this fall's election.

The Associated Press has learned that Williams is considering the possibility of such a move if it does not interfere seriously with his assignment as assistant secretary of state for African affairs.

Williams, who served six consecutive two-year terms as governor before leaving Lansing in 1961, said in an interview that he has not yet worked out his plans for the 1964 political campaign.

Tough Battle Ahead

Asked about the leave-of-absence report, Williams replied that any such arrangement "depends on how it works out at both ends."

Williams revealed that he does plan to come back to Michigan, on weekends whenever possible from now on—but he added, "I really don't know yet how much of a role I'll be playing in the campaign."

The enthusiasms with which Williams was greeted at the Democratic state convention over the weekend left no doubt that he is still regarded by many as Michigan's No. 1 Democrat. The bigger his role in the campaign, the better many will like it.

Williams said the outlook for the Democrats this fall "looks very hopeful." "The enthusiasm is boundless, yet there is a recognition that a tough battle lies ahead," he observed. "I don't see any problem with over confidence."

Going To Africa

Williams declined to comment, however, on the question of whether Democratic candidates in Michigan would have an easier time campaigning against GOP opponents running on a ticket headed by Arizona Sen. Barry Goldwater.

Some Republican leaders, including Gov. George W. Romney, have indicated they feel Goldwater has little popular support in the state.

Many believe another presidential candidate—such as Pennsylvania Gov. William Scranton—would help the state ticket more.

Whatever role Williams finally plays in this year's campaign must be worked out with President Johnson and Secretary of State Dean Rusk.

This probably will be done shortly after Williams returns from a planned two-week trip to Africa, beginning July 6, to attend the Independence Day celebration of Malawi, formerly Nyasaland.

Officers Shot; 3 Men Caught

EPHRATA, Pa. (AP)—Two state policemen were shot and wounded and two others captured and handcuffed to a tree for a brief period Sunday by three men who were stopped on the Pennsylvania Turnpike for a routine radar speed check.

The three, all from Milwaukee, Wis., were arrested by police several hours later, after a massive manhunt with bloodhounds and helicopters. State Police Commissioner E. Wilson Purdy directed some 100 men in the hunt.

The three, Gerald L. Sarson, 17, Howard E. Langnes, 24, and James Eugene Szulcowski, 21, were charged with assault with intent to kill, pointing a deadly weapon, and aggravated assault and battery against a police officer.

They were committed to Lancaster County prison, awaiting a hearing. Lt. Rufus Williams said additional charges will be filed.

The wounded troopers are Edward Herbst, 35, of Reamstown, Pa., and Fred W. Bend, 22, of Nazareth, Pa. Herbst was shot in the face and neck and was reported in serious condition at Ephrata General Hospital. Bend, who was shot in the leg, was reported in satisfactory condition.

Police theorized that the trio shot at the troopers because they were in a stolen car and because they may have thought they were going to be picked up for other crimes in Milwaukee.

Unhurt were troopers Robert Malarky and Stanley Sypek. They had been handcuffed to a tree with their own handcuffs, but freed themselves just as the gunfight broke out on the side of the turnpike.

Phoenix Dean Named Episcopal Bishop For U.P.

NEGAUNEE (AP) — A special convention has selected former Lansing Clergyman the Very Rev. George Rhys Selway of Phoenix, Ariz., as the fifth bishop of the Episcopal Diocese of Northern Michigan, which covers the Upper Peninsula.

The Rev. Mr. Selway was the only nominee at Saturday's special convention of lay delegates and clergy — the third such meeting in the effort to find a new bishop. The elected nominees at two previous conventions declined to serve.

The Rev. Mr. Selway has been dean of Trinity Cathedral in Phoenix, Ariz., since 1959. He previously had spent 14 years at St. Paul's Church in Lansing.

Dean Selway, when notified of his election, said: "Tell the people of the Diocese of Northern Michigan I deeply appreciate this and ask their prayers."

He said that he plans to visit the Diocese soon and will meet at that time with the Diocesan Standing Committee and Bishop and Council.

The bishop-elect, if he accepts, would succeed the Rt. Rev. Herman R. Page, D.D., 71, who retired May 3 after serving as bishop of the diocese for more than 22 years.

Dean Selway was born in Steubenville, Ohio. He was educated at Kenyon College and received his theological education at Bexley Hall, Kenyon's divinity school. Following his ordination in 1930, he served churches in New Philadelphia,

School Group To Meet At Webster

Citizens For Better Education will meet at 7:30 tonight in the Webster School, with the public invited to join the recently formed organization of citizens interested in the public schools.

Tonight's meeting will adopt the constitution and by-laws approved last week, hear committee reports and discuss with the Escanaba Area Board of Education the Sept. 1 vote on a tax of 4 mills for school operation. Louis Diedrich will explain the block captain method of organization.

Northern Michigan comprises 10 parishes and 22 missions. At the present time there are 16 clergy in the diocese, as well as two retired clergy who are canonically resident, as is Bishop Page.

Because a man elected as a bishop in the Episcopal Church is elected a bishop of the whole Church, his election must be approved by a majority of the Bishops of the Church, having jurisdiction, as well as by a majority of the standing committees of the dioceses of the Episcopal Church in the United States and the Council of Advice of the missionary districts.

He must also pass an intensive physical examination given by two doctors appointed by the presiding bishop.

Duncan is a graduate of Rapid River High School.

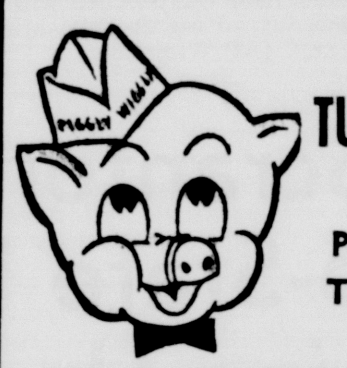

Joseph M. Sarasin, son of Mr. and Mrs. Gordon B. Sarasin of 533 N. 19th St., is a crew member of the Navy destroyer USS Shelton operating out of Yokosuka, Japan. The Shelton was part of a specially created "Concord Squadron" which crossed the Indian Ocean on a combination operational and goodwill mission. Ports visited included Diego Suarez, Madagascar; Mombasa, Kenya; and Aden, B. C. C.

Her husband survives, with a son, William Heminger, Gulliver; two daughters, Mrs. Charles (Lena) Brock and Mrs. Myrtle O'Neil, both of Detroit; a half brother, Edward Savage, and a half sister, Mrs. Ann Novak, both of Plymouth, Va.; five grandchildren and 11 great grandchildren.

The body was taken to Messier-Brouillere Funeral Home, Manistique, where friends may call after 2:30 p. m. Tuesday. The Bible vigil will be held there at 7. Funeral services will be held Wednesday at 9 a. m. at St. Francis de Sales Church. Burial will be in Fairview Cemetery.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little FASTEETH, the alkaline (non-acid) powder, on your plates. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor breath". Get FASTEETH at drug counters everywhere.

Perras Runs In Delta District

State Representative Clifford E. Perras (R-Nadeau) announced today that he will be a candidate for nomination and re-election as state representative in the Legislature. Perras will be a candidate from the new 4th Representative District, which is composed of Menominee, Delta and Schoolcraft counties.

Rep. Perras will be seeking his second term, having served one full term in the Michigan House of Representatives where he is presently a member of the House committees on economic development, judiciary, revision and amendment of the Constitution, and city corporations. He is also chairman of the Committee on Geological Survey.

Perras also served as a delegate to the Constitutional Convention in 1962 and last year was a member of the Joint Legislative Committee on Constitutional Implementation.

Perras as served on the special interim study committees on marine affairs, juvenile affairs and problems, state implementation of the Constitution, as well as being appointed vice chairman on the

interim study committees on highway safety and economic development in the Upper Peninsula.

As a member of the Romney team, Rep. Perras stated, "I would use my experience as a Constitutional Convention delegate and as a member of the Michigan Legislative team work and with the present cooperation and harmony in Lansing, there is every indication that job opportunities in the Upper Peninsula will increase further under the leadership of Governor George Romney, and to that extent, I will concentrate my wholehearted cooperation and effort."

Perras is spending two days in Marquette with the Governor and the economic development team at a conference on economic opportunities for the Upper Peninsula.

Perras now represents the Menominee-Dickinson District in the Legislature, with Menominee newly included in another district also including Schoolcraft and Delta counties, he will, if he wins the Republican nomination, most likely face Einar Erlandsen, (D-Escanaba) who is the current Delta County representative in the Legislature and who is expected to be a candidate for nomination in the new district in which Delta is the central county and the most populous.

Mead Salutes Long Service

Veteran employees with 25 years or more of service with the Mead Corp. were honored last evening at a service-recognition dinner at the House of Ludington. A total of 120 persons, including retirees who had 25 years or more of service, attended the dinner.

H. T. Mead of Dayton, vice-president of the Mead Corp., came to Escanaba to take part in the program honoring the Mead employees. Also attending were Hoyt Wheeland, general manager of white paper operations, Chillicothe, O., and James I. Sweeney, Mead Papers, Inc., Chicago.

Mead told of the strong economic competition in the paper manufacturing industry and the printing and publishing businesses.

"Many companies have lost out in this tough economic competition," Mead said. "Hundreds of millions of dollars have been lost in the struggles for economic survival — and thousands of people have suffered a severe economic jolt with the loss of their jobs."

In the paper, printing and publishing business, over 9,000 companies failed in 1950—and in 1960 over 15,000 failed. "The Mead Corp. is in a strong position," Mead said. "We have great research facilities. We have new products. And we are moving ahead with confidence in the years to come. Mead is growing and will continue to grow. But we will be facing severe competition and we must be prepared to produce even better quality products, provide even greater services and continue to develop new products," he told the group.

James Anderson, a Mead retiree, was master of ceremonies. Gunnar Hornblad gave the invocation.

NANCY GOODMAN, 408 7th St., Gladstone prepares for her summer journey to Japan and a visit with her sister Jane in Manila. Nancy will be leaving Wednesday, June 17 and will return August 26. (Daily Press Photo)

Nancy Goodman Will Tour Japan During Summer

GLADSTONE—Nancy Goodman, 18-year-old daughter of Mr. and Mrs. Clarence Goodman, 408 S. 7th St., is leaving Wednesday on a three-fold excursion. First a tour to Japan, second a visit with her sister in Manila and third a college credit in history for the study tour.

On Wednesday she will leave for San Francisco where the next day she will board the SS President Cleveland for Yokohama. She will be traveling with Student Travel Overseas Program (STOP) whose members will study under Professor Donald Campbell.

While at sea Dr. Campbell will conduct classes in the morning and afternoon will be free for relaxing. The tour will stop in Honolulu for one day before sailing for Japan.

The ship will dock in Japan on August 2 and tours will be conducted to the Great Buddha and continue on to Tokyo where they will visit the Imperial Palace, Tokyo University, and other places of interest.

After travel through several other cities they will go to Kamikochi on August 9 and stay three days. The group can explore the countryside, go boating, hiking or camping or perhaps Jane will shop a two-day mountain-climbing excursion.

No tour to Japan could do without a visit to Hiroshima and the Atomic Bomb Explosion Center including the mu-

seum and Peace Tower.

Included in the tour are all accommodations and dinners in restaurants featuring Geisha and Maiko girls. The tour is not entirely taken up with tourist guides and compulsory visits many hours of the day will be free for shopping, sunning and just relaxing.

The group will leave Japan on August 31 with a summary of class studies on the voyage.

A five-day tour of Hong Kong is on the itinerary including visits to rice paddies, a look through the "Bamboo Curtain," picnics and swimming.

Some of the tour members will leave Hong Kong for a complete round-the-world extension and others will return to San Francisco, but Nancy will leave the group Aug. 8 for Manila to visit her sister Jane.

Jane's husband, Lt. (j.g.) Harley Fitzgerald, is stationed in Manila with the U.S. Navy and has been there since last June. Jane joined him in August and they expect to return to the States in February when Harley's tour of duty will be finished.

Nancy will fly home on August 26 and prepare for her entrance to Western Michigan University. She graduated this year from Gladstone High School.

Mead Advances O. Christiansen

DAYTON, O. — Oliver C. Christiansen, a 17-year employee of Mead Corp.'s Escanaba Division, has been named assistant division manager at the Chillicothe Paper Co. Division in Chillicothe, O. Dr. George H. Sheets, Mead senior vice president, announced Christiansen's transfer today.

After receiving a B. S. degree in mechanical engineering from the University of Minnesota in 1947, Christiansen joined Mead in Escanaba. He was made paper mill superintendent in 1952, and in 1953 made superintendent. In June 1963, he was promoted to the post of assistant division manager at the Escanaba mill.

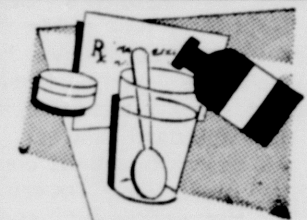

While in Escanaba, Christiansen was active in the Rotary Club. He has also held various offices in the Northwestern Division of the Paper Industry Management Assn.

Christiansen, a native of Minneapolis, is married to the former Marilyn Meiers of Escanaba. Mrs. Christiansen and their six children plan to join Mr. Christiansen in Chillicothe about July 1.

"You Suppose He's Got a New Set of Blueprints?"

Chance For Usefulness

The conference may be accused of an eyeball-to-eyeball approach to a problem of sore feet, but there's need for examination of the crucial item of "community factors." The Upper Peninsula has lost plants recently on considerations which included this factor prominently. And persons will be available in the really all-star assembly of commentators who know both the problem and the answers.

All true. The Cislser theme could be a keynote for Governor Romney's conference. But this has been true for many years. Foresters express the dilemma clearly. "Do not," they say "confuse maturity of timber with marketability." It may be mature and ready for market and worth nothing, because there's no economic market. This, oversimplified, is the Peninsula's problem and no one thinks it won't be solved eventually, but people only live in the present.

Developers Will Hear M'Laughlin

The man chosen to address the banquet session of the Governor's Conference on Upper Peninsula Economic Opportunity at Northern Michigan University, Marquette, Wednesday evening (June 17) is a native of the Upper Peninsula, a policy maker on government programs affecting the area and an officer of a company with large investments in the U.P.

He is Robert C. McLaughlin, vice president of McLouth Steel Corp. of Detroit. He will bring to comment on the possibilities for Upper Peninsula economic growth an unusually varied experience and knowledge of the area. He is noted statewide for his forthrightness and his willingness to involve himself in controversial problems in efforts for public benefits.

One of his latest public services was his general chairmanship of Governor Romney's citizen study of the Conservation Department of Michigan in 1963. The 21-person study group made recommendations which have resulted in a program of widespread reform in the Conservation Department.

McLaughlin is a native of Lake Linden in Houghton County, where he was born July 19, 1914. He and his wife, Jane, have 5 children, Patricia, Michael, Kathleen, Timothy and Maureen.

He was a Civilian Conservation Corps camp official, attended Northern Michigan University and served as a lieutenant, junior grade, in the Navy in the Pacific theater in World War II.

He joined the Michigan Department of Conservation in 1934 and was with it until 1946, advancing from district headquarters clerk to education and information representative, to assistant chief, Division of Education and Information. In 1947 he joined the Michigan Tourist Council as executive secretary.

In 1948-50 he was back with the Conservation Department as deputy director and then in 1950 joined McLouth Steel Corp. as assistant to the president. In 1958 he was elected a vice president.

Much in demand for civic assignments because of his organizational and public relations expertise, he is serving on the board of trustees of Oakwood Hospital, Detroit; and Wayne County Catholic Services. He is on the Michigan United Foundation advisory board, is a director of the Great Lakes - St. Lawrence Seaway Association, chairman of the Port Committee of the Greater Detroit Board of Commerce and a member of the Michigan Conservation Department.

Ensigners Busy With Planting In The Area

ENSIGN — The Ensigners 4-Hers met at the Ensign Township Hall Thursday and planted hundreds of flowers in three new flower beds. Many of the flowers were marigolds, petunias and aster plants. The seed and plants were purchased by the Ensigners' treasury. Grass was cut and trimmed and more ground clean-up was accomplished.

The club members are undertaking the Ensign hall's grounds as their landscaping project. Mr. and Mrs. Stanley Dominick are the adult advisors.

Another project of the club is planting of 1,200 red pine seeds in flats at the Safford home. Larry Bradford, 4-H agent, instructed the planting. The small trees will remain in the flats for two years and then will be transplanted on the members' property. This fall the club will plant white spruce seeds in similar flats. Thomas Safford is supervising the project.

Van Riper Park Ceremony June 21

A large turnout of visitors is expected at the Van Riper State Park dedication and open house June 21, at noon according to Park Manager Paul Paris, and George Beaupied, Champion Township supervisor, co-chairman.

Park tours will begin at noon and continue until 6 p.m. except for the 2 to 3 dedication ceremony.

D. J. Curry, deputy director field operations, Michigan Department of Conservation, Lansing, will emcee the ceremony highlighted by short addresses by Dr. Paul Van Riper, Champion; Carl Corneliusson, chairman, Marquette County Board of Supervisors, Ishpeming; Rep. Dominic Jacobetti, Neegaunee, and Grant Wykhuis, Regional park manager, Department of Conservation, Marquette.

A chicken barbecue will be served by the Champion Lions Club at 4 p.m. There will be no vehicle charge to enter the park.

'No Vacancy' Is Camp Prospect

The peak camping period in Michigan is at hand and, despite addition of several hundred campsites, the "No Vacancy" sign is expected to be hanging on the gates of some of the most popular parks soon.

Increasing interest in camping in recent years has kept the demand ahead of the supply although Michigan has more than 10,300 campsites in state parks ready for 1964 visitors.

The Michigan Tourist Council advises campers that they should consider the more than 4,000 campsites in state and federal forests and in county and township parks if they find their favorite state park full.

In addition camping is permitted on most of the more than seven million acres of public forest land in the northern two-thirds of the state even though there are no designated campsites.

State parks offer the most complete facilities, in most cases, with bathhouses, flush toilets, electricity and concession stores. For use of these facilities a \$2 annual or 50 cent daily park permit is required in addition to a \$1 daily camping fee and a 25 cent daily use charge for electricity if desired.

From June 15 through Labor Day campers are limited to 15 days in any one state park with an additional 30 days during other months of the year. No reservations are accepted for state park campsites.

Some of the county and township parks also charge a fee to cover maintenance and

campers should inquire about these charges locally.

There are no fees for camping in most state and national forest campgrounds, most of which have pit toilets, picnic tables, fireplaces and a water supply. There are no attendants at these camp grounds but camping is limited to 20 days at one site in state forests and 21 days in federal forests.

In public forests outside designated camp grounds no permits or fees are required and there is no restriction on camping except during the November deer season when a registration card, available at license dealers, is required.

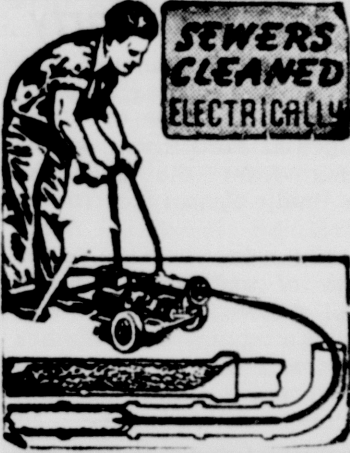

Spaceman Glenn Recovers From His Ear Ailment

HOUSTON, Tex. (AP)—Former astronaut Lt. Col. John Glenn has recovered sufficiently from an inner ear disorder to work in his yard and walk around the neighborhood.

Dr. Charles Berry, chief of the Manned Spacecraft Center's medical program, said Glenn was still suffering from dizziness. "But he is a million times better than he was a month ago," Berry said.

Cmdr. Alan Shepard Jr., who contacted the ailment from a cold or virus, is still suffering from an inner ear disorder.

"Al is getting along fine," Berry said. "He still has a slight hearing loss but the dizziness has disappeared. He can fly but only as a passenger."

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

Farewell Party Sponsored By Methodist WSCS

Over 125 members of the First Methodist Church attended a farewell party sponsored by the Woman's Society of Christian Service Saturday evening for several of their families moving from the city.

The invocation was given by Lowell Hebbard, lay minister. Mrs. Donald Ness was toast mistress for the evening during which time she read poems, "Meeting Up With You," by C. E. Hodgkin and "What Makes Us Friends," by Hilda Farr.

Other numbers on the program were: vocal quartet, "Father Almighty," by Ellen Foster, Janet Pierson, Lynne Kennedy and Holly Semmens; "Just for Today," sung by Lois Bryers and "Feed My Sheep," by Betty Pierson, Barbara Pierson, Ruth Ann Brown and Susan Plowman. They were accompanied at the piano by Mrs. Clovis Colvin.

The Rev. J. B. Brown gave the families the good wishes of the congregation. Mrs. George Semmens lead the group in singing many old tunes, accompanied by Jack Foster. Alvin Ness showed slides of a trip to Florida.

The program closed with each family being presented with a large framed picture of the Head of Christ by Peter Bianchi.

Sandra Williams Wed To Mr. Wolkenhauer

The Rev. Robert Selberg, a two piece knit dress of coral, pastor, and the Rev. Karl J. Hammar, pastor emeritus, solemnized the wedding ceremony in Central Methodist Church, Escanaba, for Sandra Kay Williams and William C. Wolkenhauer Saturday, June 6, at 2 p.m.

The bride is a daughter of Mr. and Mrs. Jack P. Williams, Ford River Road. Mr. and Mrs. John A. Wolkenhauer, 1515 7th Ave. S. are the bridegroom's parents.

The single ring service was followed by a reception in the social rooms of the church.

The bride wore a ballerina length gown of ivory Chantilly lace over satin with seed pearl neckline. Her fingertip veil was lace edged and the crown of the veil was made of lace material from her grandmother's wedding gown. Purple pansy heads were attached to the front of the crown. She carried a white Bible, gift of the bridegroom, on the cover of which was a bouquet of white butterfly orchids and English ivy, tied with ivory satin bows.

Bride's Attendants
Mrs. Ruth H. Williams of Salina, Kan., was matron of honor for her granddaughter. She was attired in a three piece fitted floor length gown of light green silk crepe with which she wore a veiled whimsy clip hat of a darker shade of green. She carried an arm bouquet of lavender pompon chrysanthemums.

Bridesmaid was Terri Lee Williams, eight-year-old cousin of the bride, also of Salina, who was attired in a full skirted floor length dress of light green nylon organdy over taffeta. She wore a wide velvet hair ribbon on a contrasting shade of green. Her flowers were a nosegay of lavender button pompon chrysanthemums.

James Geffert of Middleton, Wis., a college roommate of the bridegroom, served as best man. Ushering were Charles Stratton, Morton, Ill., and John Wolkenhauer of Alma Center, Wis., a brother of the bridegroom.

Mrs. Williams attended the wedding and received guests in a three-piece pink lace costume dress with which she wore bone accessories and a pink sweetheart rosebud corsage. Mrs. Wolkenhauer chose

Victor Friedgen Is Honored At Retirement Party

A recognition banquet was held Saturday evening, June 13, at Potvin's in honor of Victor Friedgen of Ford River, who is retiring from the Escanaba Area Public School Bus Driver service.

He is the first to retire in the history of the Escanaba Area School system.

Those attending were the bus drivers and their wives, members of the maintenance unit and their wives, teachers of Ford River Central School and other personnel of the school.

George Cholger Jr. of Bark River Rte. 1 was toastmaster for the evening and gave an interesting outline of Friedgen's career. Phil Lippens of Cornell gave the invocation and Benediction and spoke briefly of the interesting incidents that occur in the life of bus drivers.

Lawrence Klug of Wells, Transportation Director for the school system expressed appreciation of Friedgen's service and presented him with a miniature Superior Body Bus No. 5, a replica of the bus he drove, along with a purse of money.

Church Women Of Immanuel Meeting Tuesday

A meeting of the Immanuel Lutheran Church Women will be held Tuesday, June 16, at 2 p.m. in the church on 23rd St.

Detroit Sweeps Series With LA

DETROIT (AP) — Detroit shortstop Dick McAuliffe, who was just a .233 hitter last Friday, suddenly found himself considered such a threat that he was walked intentionally twice in one game Sunday.

There were good reasons. McAuliffe had hit 3-for-4 and driven in two runs in the Tigers' 8-5 victory over the Angels Saturday. And his 415-foot home run gave the Tigers a 6-5 victory in the first game of Sunday's doubleheader.

After the Angels gave him two intentional passes in the second game, McAuliffe still hurt them with his glove, making a sensational ninth inning play that helped preserve the Tigers' 6-4 victory and a sweep of the doubleheader slugfest.

Why the spark? "I just started hitting," shrugged the 24-year-old shortstop, who went 6-for-10 in the three-game sweep over Los Angeles and now is batting .253.

He's more confident," said manager Charlie Dressen. "He was getting upset when he wasn't getting the hits."

McAuliffe prevented what

could have been an Angel score in the ninth when, with Lennie Green on second, he went deep into the hole at shortstop to spear Albie Pearson's grounder. He threw to second in time to catch Ed Kirkpatrick, who had just cracked a pinchhit single.

That was the second out and Norm Cash handled former Tiger Willie Smith's grounder unassisted a moment later for the game's final out.

Don Demeter drove in the nightcap's winning runs in the Tigers' four-run seventh with his second double of the game. Bo Belinsky had just walked in the tying run.

The Angels had taken a 4-2 lead earlier on two-run homers by Smith and Vic Power.

Demeter's blast off the right field wall and McAuliffe's game-winning clout in the first game both came off Los Angeles reliever Bob Lee.

Gates Brown and Al Kaline also homered for Detroit in the first game and Jim Piersall, Bobby Knopp and Joe Adcock had round trippers for the Angels.

Detroit reliever Terry Fox

was credited with saves in both games. He got Joe Adcock to ground into a game — ending double play in the first and held the Angels scoreless for the final two innings of the second — with help from McAuliffe.

Ed Rakow picked up the first game victory, his third triumph against five defeats. Mickey Lolich, who lasted only one-third inning as the first game starter, pitched one inning in relief in the second and chalked up the victory, making his record 6-5.

Lee (2-3) was the first game loser and starter Barry Latman (2-5), who went six innings and gave up five runs, took the nightcap loss.

The Tigers now have won six of their last seven games — making them 7-5 for June, a month in which they compiled a miserable 10-19 record last year.

They'll try for two more victories when Kansas City comes to Tiger Stadium for a two-night doubleheader Tuesday.

Esky Cubs Drop Menominee From Unbeaten Ranks

The Esky Cubs knocked Menominee out of the undefeated ranks in Waubung Baseball league action Sunday while Powers-Hermansville made a successful debut by nipping Gladstone 5-3.

Menominee was plagued by errors in the game at the Al Ness Field as the Cubs shoved four runs across in the first inning and were never threatened.

The winners scored a run in the fifth to tie the score at 1-1, then tallied twice in the sixth and eighth innings to go ahead 5-1. Gladstone threatened with a pair of runs in the top of the ninth but fell short.

Dick Acker started on the Gladstone mound and stepped down for Jim Shondanay in the eighth. Between them they granted seven hits, fanned 11 and didn't issue a walk.

A key hit for Powers-Hermansville was a bases loaded single by David Smith in the eighth inning.

Ron Povolto was the plate star for the winners with three singles in four trips. Walter Veldman paced Gladstone with a single and a triple.

In Saturday Little League games two second division teams tightened up the championship race by knocking off the front runners. In the opener the Bankers picked up their first win of the season in beating V. F. W. 4-2.

Kiwanis was impressive in the nightcap, beating league champion Rotary 6 to 1.

Bill's Posts Softball Win

RAPID RIVER — Bill's Bar scored its third Central League softball victory Sunday, coming from behind with five runs in the last of the seventh to defeat Perkins 9-7.

Orville Pedersen tossed the victory and Jerry Bolm had two hits for Bill's. George Neurohr threw for the losers.

Bob Jones and Sam Snead finished second four times in the U. S. Open. Jones won the title four times. Snead never did win it.

Northern Dancer Back In Action

By The Associated Press
Northern Dancer, winner of the Kentucky Derby and the Preakness and then third in the Belmont Stakes as he failed to wrap up the Triple Crown, returns to action Saturday as the short-priced favorite in the \$50,000-added Queen's Plate at Woodbine.

The Canadian-bred son of Nearctic-Natalma from E.P. Taylor's Windfields aFrm of Toronto will be performing before the home folks for the first time since he started a successful invasion of the United States late in 1963.

The 1 1/4 miles of the Queen's Plate figures to be more to the liking of the Dancer than the 1 1/2 miles of the Belmont Stakes. He won the 1 mile of the Kentucky Derby by a neck and the 1 3/16 miles of the Preakness by 2 1/4 lengths.

Opponents for Northern Dancer are expected to come from two divisions of the 1 1/16 miles

of the \$7,500 Plate Trial today.

Bill Hartack again will be astride Northern Dancer in the Queen's Plate.

Also scheduled Saturday are the \$100,000-added Illinois Handicap over one mile at Arlington Park, the 1 1/16 miles of the \$50,000-added Inglewood Handicap at Hollywood Park, the \$35,000-added Leonard Richards for 3-year-olds over 1 1/4 miles at Delaware Park and the \$25,000-added Bowling Green Handicap, a grass course race at 1 1/4 miles, at Aqueduct.

The unpredictable 3-year-old fillies turned up with another winner in a major race last Saturday when Miss Cavandish accounted for the \$123,375 Coaching Club American Oaks by three lengths at Aqueduct. Castle Forbes, winner of the Acorn, first leg of New York's Triple Crown for fillies, wound up second and Seecre, winner of the Mother Goose, the second leg, was third.

FRED HANSEN, the world's top pole vaulter, soars to a pending record height of 17 feet 2 inches in the San Diego Invitational track and field meet Sunday. (AP Wirephoto)

Vault Champion Raises Height To New Record

SAN DIEGO, Calif. (AP)—Fred Hansen, the slim, record-cracking vaulter from Texas, was almost eliminated at the now common 16-foot mark at pre-Olympics tryouts.

"I just wasn't warmed up enough for the early jumps and wasn't rocking back (on the fiber glass pole) like I should," said Hansen.

He went on to clear 17 feet, 2 inches, an unofficial world record, at the invitational meet here Saturday night. But previously he missed the 16-foot qualifying mark twice, finally clearing it on his final try after seven others had made it.

"I felt that I could break the record again, once I got going," the 6-foot, 168-pound Texan said later. "I felt good, the conditions were good and the competition was good."

Hansen, 23, a pre-dental student at Rice University, soared 17-1 last week at Houston to better John Pennell's pending world mark of 17-3/4.

Yanks Spill Chisox Into Second Place

By The Associated Press
"We have been going good, and we are going to get better," said Manager Al Lopez of the Chicago White Sox shortly before his American League leaders started a five-game series with the New York Yankees.

The White Sox now are in second place.

The Yankees took care of that, using just 50 hours for a sweep of the series. They completed the annihilation Sunday, taking a doubleheader 8-3 and 4-3 in 10 innings.

The double loss coupled with Baltimore's two victories over Boston put the Orioles on top, one game and 10 percentage points ahead of the White Sox, who have dropped six straight.

The third-place Yankees moved four percentage points behind Chicago, holding a seven game winning streak, longest in the majors this season.

The rampaging Yankees rendered the White Sox attack so ineffective it might take Lopez the rest of the year to find it. Chicago managed only 28 hits in the series and scored only 10 runs.

The White Sox came close to averting the sweep but couldn't hold off New York in the ninth inning of Sunday's nightcap. Trailing 3-1, the Yankees scored twice with the aid of shortstop Ron Hanse's error, then won it in the 10th on Joe Pepitone's run-scoring single.

Another highlight of the five-doubleheader day was the 30 home runs that were hit in the league. That tied the major league record set June 10, 1952.

Minnesota's power-laden Twins led the onslaught in their 6-5 and -92 victories over Washington. The Orioles clobbered the Red Sox 10-1 and 8-1, Kansas City edged Cleveland 6-5 in 10 innings and 3-2 and Detroit squeezed by Los Angeles 6-5 and 6-4.

In the National League, Philadelphia beat New York 9-5 and 4-2, Milwaukee whipped Los Angeles 5-1 and 5-1, San Francisco trounced Cincinnati 8-2, Houston downed St. Louis 4-1 and Chicago defeated Pittsburgh 5-2. Rain washed out the second game of their doubleheader.

Juan Pizarro suffered his third loss in 10 decisions in the opener. Howard and Phil Linz rocked him for two-run homers in the second. Linz added a solo homer in the eighth.

Baltimore moved into first place behind the five-hit pitching of Chuck Estrada and Dick Hall in the nightcap. Estrada pitched the first five innings, enough for his first victory since May 21, 1963. Jerry Adair drove in two runs for the Orioles, giving him five for the day.

Brookes Robinson and Luis Aparicio each lashed four hits in the opener. Robinson hit a home run, a triple and two sin-

gles while Aparicio collected a triple and three singles and stole three bases.

The Twins' Harmon Killebrew pounded three homers, giving him 20 for the season. He hit two in the first game while Bob Allison and Zoilo Versalles added one each. Fred Valentine homered with two aboard for the Senators.

Minnesota also clouted four homers in the nightcap, including Allison's 15th. The Twins' Johnny Goryl was thrown out of the game in the sixth after charging and punching pitcher Jim Duckworth who hit him with a pitch. Duckworth was fined \$50.

Home runs decided both of the games between the Athletics and the Indians. Jim Gentile who previously knocked in three runs, connected in the 10th inning of the opener while Dick Green hammered a two-run homer in the seventh for the second-game triumph.

John Romano's homer had given the Indians a brief 2-1 lead in the sixth.

The Tigers won the second game on Don Demeter's two-run double in the four-run seventh. The blow came off reliever Bob Lee, who also was the victim of Dick McAuliffe's eighth-inning homer which won the opener.

Jimmy Piersall, Bobby Knopp and Joe Adcock homered for the Angels in the first game.

Farrell Is Hurler With Gun At Back

By The Associated Press
Houston's Dick Farrell pitches with a gun at his back. The gun's name is Nellie Fox.

Farrell, who figures the scrappy Fox is the latest weapon in his well-stocked pitching arsenal, became the first 10-game winner in the major leagues Sunday night as he scattered eight hits in a 4-1 triumph over the St. Louis Cardinals.

A converted reliever acquired from the Los Angeles Dodgers for the premier \$125,000 price tag in the National League expansion draft, Farrell is in his third and most productive season as a starter. And that's where Fox, acquired from the Chicago White Sox, enters the picture.

"He keeps me bearing down," says the 30-year-old right-hander. "He is always on my back."

Farrell had a 10-20 record for the Colts in 1962 and 9 was 14-13 last year. But with the helpful intimidation of the little second baseman he has reached the

first plateau en route to a 20-victory season with the best record in the majors.

Farrell's latest triumph was his seventh in a row and brought his record to an eye-opening 10-1. It also extended the Cardinals' skid. St. Louis now has lost four straight and 18 of its last 24 while falling into eighth place, 6 1/2 games behind National League leading Philadelphia.

The Phillies swept a doubleheader from the New York Mets 9-5 and 4-2, boosting their lead over second-place San Francisco to one-half game. The Giants' rode homers by Orlando Cepeda and Jim Hart to an 8-2 victory over Cincinnati.

Elsewhere in the NL, Milwaukee swept a doubleheader from the Los Angeles Dodgers by identical 5-1 scores and the Chicago Cubs defeated Pittsburgh 5-2. The second game of the Cubs-Pirates doubleheader was rained out.

In the American League, New York defeated Chicago 8-3 and 4-3 in 10 innings. Minnesota took Washington 6-5 and -92, Baltimore walloped Boston 10-1 and 8-1, Detroit edged Los Angeles 6-5 and 6-4 and Kansas City downed Cleveland 6-5 in 10 innings and 3-2.

Farrell struck out nine and walked two, allowing the Cardinals' only run in the sixth when Bill White tripled and Ken Boyer singled. Al Spangler provided the runs Farrell needed with two sacrifice flies, the last capping a three-run fifth inning uprising that put it away against Bob Gibson, 5-4.

John Briggs, starting his first major league game because of a leg injury to Wes Covington, produced the fireworks for the Phillies in the opener. Briggs singled twice, slammed a double, drove in two runs and scored twice, riding home on Richie Allen's 13th homer in the fourth.

John Callison took over against the Mets in the nightcap, driving in three runs with a homer and double. Art Ma-

Dick Farrell haffey got the nightcap victory with Ed Roebuck's relief help after Ray Culp posted his first victory since April 26 in the opener.

Cepeda and Hart, who drove in three runs, hit consecutive homers against Reds starter Jim O'Toole, 5-3 in the third inning. Willie Mays also figured heavily in the attack with single, double, triple and three runs scored. Ron Herbel, 4-2, got the victory with an eight-hitter.

The Braves unloaded 11 extra-base hits—including the 350th homer of Hank Aaron's major league career—and became the first team in two years to sweep a doubleheader against the Dodgers in Los Angeles.

Aaron, Felipe Alou and Denis Menke homered in the opener while Tony Cloninger, 5-5, pitched a five-hitter. Gene Oliver slammed a bases-empty homer and a run-producing double in the nightcap while Bob Sadowski, Dan Schneider and Denny Lemaster combined to check the Dodgers on seven hits.

Billy Cowan and Lou Brock slammed two-run homers as the Cubs whipped the Pirates. Dick Ellsworth, 8-5, had a four-hit shutout until the ninth when Gene Freese accounted for the Pittsburgh runs with a two-run homer.

Girls Softball

The Nurses defeated Ludington Motors 14-5 with Betty Thorsen on the winning mound and Mari Miller pitching for the losers.

Babe Ruth

Revised schedule for Saturday, June 20, will have Kiwanis vs. Teamsters at 10 a.m., Harnischfeger vs. Mead at 1 and Insurance vs. Banks at 3.

Race Driver Breaks Neck

TERRE HAUTE, Ind. (AP)—Race driver Johnny White of Warren, Mich., the Indianapolis 500's "rookie of the year," was in serious condition today from a broken neck suffered in a crash in a race Sunday.

White, 32, was hurt when his sprint car jumped a wall at the Vigo County Fairgrounds on a qualifying run for a 30-lap feature captured by 500 winner A.J. Hoyt of Texas.

Driving in the 500, White averted the flaming wreckage in which Eddie Sachs and Dave MacDonald suffered fatal injuries.

White's car flipped over the wall on the second turn Sunday and turned over. He was taken to St. Anthony Hospital. A doctor said White suffered a spinal dislocation which could also be called a broken neck and mild head injury.

The Michigan driver, one of Foyt's rivals in the Indianapolis 500-mile, was voted "rookie of the year" after the Memorial Day race. He finished fourth. He was 1962 champion on the International Motor Contest Association circuit.

A track official said White apparently lost control of his Chevrolet-powered racer on the first turn and he skidded all the way into the second turn, then leaping a 3-foot-high guard rail.

Lema Wins Second In Row Entering National Open

GRAND BLANC, Mich. (AP)—Tony Lema, more surprised than anybody else over his victory in the \$66,000 Buick Open Golf Tournament Sunday, headed today for the National Open at Washington, D.C., hoping that lightning strikes three times in a row.

"I've never done very well in the National Open and I don't have any particular feeling about it this year," said Lema after becoming the first pro in 21 months to put together major victories in successive weeks. He preceded his Buick Open triumph with victory in the \$100,000 Thunderbird at Rye, N.Y. The National Open starts Thursday.

Said Lema of the Buick Open, "It has to be one of the biggest surprises of my life."

"I never thought I could win a tournament when I started playing," Lema added, "let alone win two in a row."

The San Leandro, Calif., na-

tive kept his usual custom and ordered champagne in the press room following his victory on the 7,280-yard, par-72 Warwick Hills course.

Lema had a 70 in his final round and finished with an 11-under par 277 to pick up nearly \$9,000 in prize money.

His round featured four birdies, one on the first hole which he solved for the fourth was straight round in the tourney. It was the same hole on which he had taken a seven in the open two years ago.

His second bogie came on the 15th hole and he admitted that it made him a little anxious.

Dow Finsterwald, playing in the threesome ahead of Lema, started the day just two strokes off the pace and at one point in the final round closed to within a stroke of a tie.

"I knew what Dow was shooting right along until something happened with our communications at about the 10th hole,"

Lema explained. "I didn't know what he had done from the 10th through the 14th."

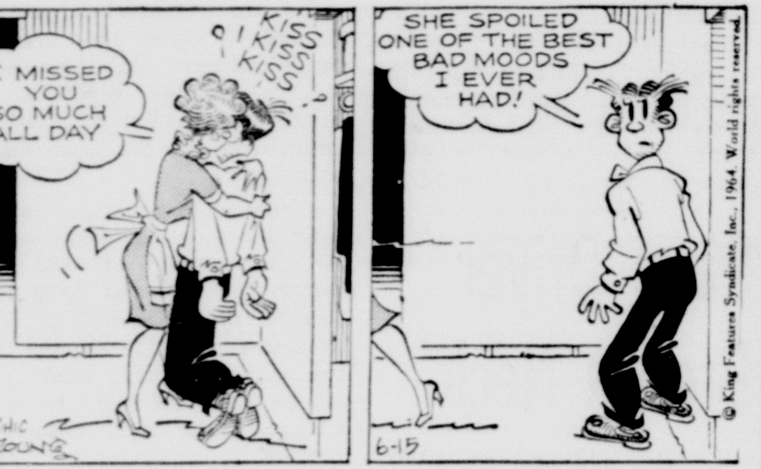

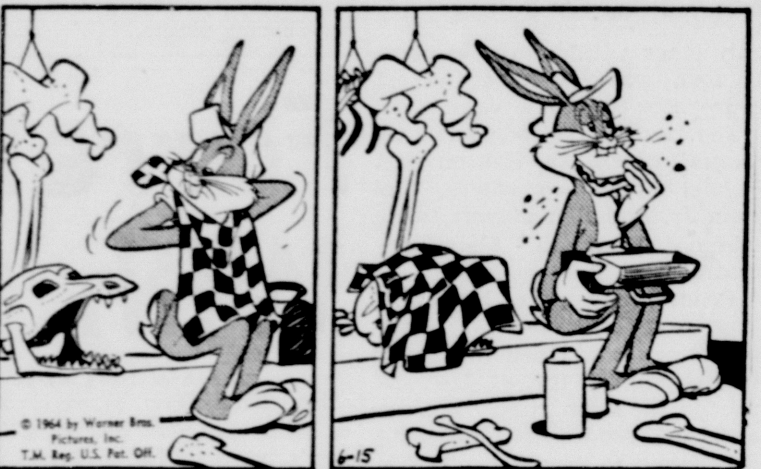

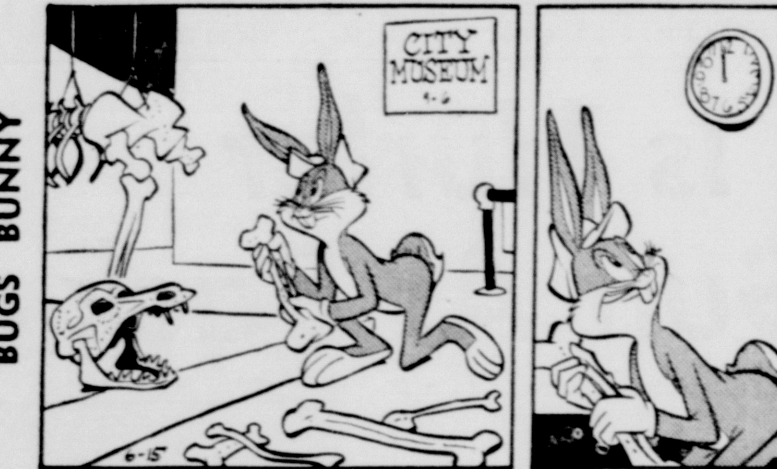

"When I bogied No. 15, I really started to worry. But not for long, though, as word got to me that Dow had also bogied the same hole and that I was still ahead by a couple of strokes."

Finsterwald finished with a 71 for a total of 280 and was runner-up here for the second straight year. Bob Charles, the left-handed New Zealander, finished with a 67 to take third place money with a 283.

Lema became the first pro to win two tournaments in a row since Jack Nicklaus won in Seattle and Portland, Ore. in September, 1962.

"I'm very happy with my game," Lema said. "I led this tournament from the 27th hole and I guess that, along with winning the Thunderbird, has helped me gain a lot of confidence."

Carol Long Is Bride Of William J. Wyatt

William J. Wyatt, 802 Montana Ave., son of Mr. and Mrs. Merle E. Wyatt, Wayland, Mich., claimed Miss Carol Long, daughter of Mrs. M. F. Long, 1215 Dakota Ave., as his bride in a mid-June wedding at the First Lutheran Church Saturday. The Rev. Reuben Carlson officiated at the double ring ceremony at 2 p.m.

The bride entered the church wearing a floor length gown of white peau de soie with a chapel train and finger-tip veil. She carried an arrangement of white roses.

Gowns of light aqua sarrano with matching bow headpiece and short veils were worn by her three attendants. Mrs. Margie Haglund, sister of the groom, and Peggy Haglund, niece of the bride and Cindy Apelgren, niece of the groom, were bridesmaids. They carried arrangements of yellow daisies.

Edwin Apelgren served his brother-in-law as best man and Roger Van Winkle, of

Two Accidents Are Reported

A car driven by Mary Lou Dixon, 35, of Waksfield was demolished when it went off U.S. 2 in Garden township at 10:15 a.m., Friday and hit trees.

The car dropped off the road onto the shoulder and then went off on the opposite side when the driver returned it to the pavement. She escaped injury.

In another accident, Friday at 9:45 a.m., cars driven by Ellen Marie Tribilcock, 60, of Stambaugh and Caspee Whitney, 66, of Omaha, Neb., were damaged on U.S. 2 in Inwood township. Mrs. Tribilcock stopped for a flagman on the road project and was struck in the rear by the Whitney car. Damage was minor, State Police report.

Briefly Told

Gordon McLeod of Perkins, reported to State Police that his camp in Baldwin Township was broken into. Police are investigating.

John Norlin of Rte. 1 Gladstone reported to State Police that a hit and run vehicle damaged his mailbox on County Road 426 sometime early Saturday morning. Investigation is continuing.

Six juveniles were picked up for malicious destruction of property by State Police. The youths broke 24 pop and beer bottles on the fourth green at the Gladstone Golf Course. The boys cleaned up the debris under their parent's supervision.

Robert J. Brazeau, 26, of Milwaukee, was arrested by State Police Sunday at 9:05 p.m. for carrying a weapon with unlawful intent. Brazeau was picked up at a relative's home in Wells with a 12 gauge shotgun. He was taken to the County Jail and investigation is continuing.

Rosemarie Smith, 52, of Rte. 1 Escanaba, was issued a summons by State Police Saturday for failing to stop and identify an unattended vehicle. Mrs. Smith struck a car owned by Hertz Rent-A-Car Co. Friday. The vehicle was being driven by Daniel Tobin, 928 6th Ave. S. and was parked in Breezy Point parking lot.

State Police issued traffic tickets to the following motorists over the weekend: Phillip J. LaCrosse, Rock, no valid registration plates and speeding; Michael J. Margoe, Ortonville, Mich., speeding; Alden Johnson, Rte. 1 Bark River, expired operator's license; Betty Jean Carlson, 121 N. 19th St., allowing unlicensed minor to drive a car; Leona J. Beeck, Rte. 1 Rapid River, no operator license; Raymond Pepin, 1210 N. 23rd St., mutilated operator's license and Hugh Harris, Rapid River, no operator's license.

Drivers Ticketed By State Police After Mishap

Two drivers were ticketed by State Police at 1:40 p.m. Sunday following a two-car accident on U.S. 2-41 at County Road C-21.

Wayne G. Adams, 17, of Milwaukee was making a left turn on C-21 and swung wide to the right and started to turn left. Alden S. Hurtubise, 18, of Rte. 2 Bark River thought Adams was turning right, started to pass him and the cars collided. Adams claimed his turn signals were on and Hurtubise didn't see them. Both cars were damaged.

Adams was ticketed for improper left turn and Hurtubise for excessive speed for conditions.

Costello Store Recalled By History Group

When the Schoolcraft County Historical Society met Mrs. J. J. Herbert gave a biographical sketch of John Costello, former prominent influential business man of Manistique who was given recognition in the 1895 edition of "Who's Who of the Upper Peninsula," where he was listed "One of the progressive merchants of Manistique, and Schoolcraft County, Michigan, who has held distinctive public preferences in a local way."

Mr. Costello was born on Prince Edward Island, Ontario, Canada, March 7, 1846, youngest of eight children of John and Catherine (Ready) Costello, both natives of the Emerald Isle, whence they emigrated in an early day to America and took up abode on Prince Edward Island. The father was engaged in agriculture. His wife died and he subsequently moved to St. John, New Brunswick, where he lived the remainder of his life.

John Costello was reared on the paternal farmstead on Prince Edward Island where he remained until he had attained his majority. His educational privileges were necessarily meager in scope. From the island he went to St. John, where he remained a few years, after which he went to Wisconsin, where he was variously employed.

In 1870 he came to Schoolcraft County, Michigan and for a few years was engaged at furnace work and such other occupations as he could secure.

In the fall of 1872 Mr. Costello was elected sheriff of the county and held this office six years by consecutive elections and two years he served as under sheriff.

In 1882 still further official recognition came to him in his election to the office of County Clerk and Register of Deeds, which he served without intermission until January, 1893. He also was town clerk in 1878.

In addition to his official career he was identified with the mercantile business of Manistique from the spring of 1887 when the firm of Lyons, Costello & Company was organized and opened a grocery. This association continued until September 1, 1889, when Mr. Costello purchased the interests of his partners. He then conducted the business as an individual enterprise. It was one of the leading establishments of the city.

"Mr. Costello has been ever solicitous of the progress and substantial upbuilding of Manistique, and he is financially interested in one of the finest brick business blocks in the place.

The marriage of Mr. Costello was celebrated in the year 1873, when he was united to Miss Elizabeth Donovan, a native of Ireland. They had seven children, one of whom, Katie, is deceased. The others are: Mary, Ellen, Maggie, John, Emily and Norene. The family are devoted members of the Catholic Church, the Who's Who report noted. The youngest, Norene, is Mrs. Peter Stanness of Manistique, whose husband operated Stanness jewelry, one of the leading jewelry stores above the straits for many years. The others have passed away.

The Costello grocery catered to the "carriage trade" and carried the wherewithal to set a gourmet's table, though that term was not in use in the 1900s and 1920s. Mrs. Herbert reported noting she had been surprised in coming to Manistique in 1920 to find that Costellos carried the same brands as McMillians in Detroit. Mr. Costello built in the west 100 block in S. Cedar St.

As a sidelight, Mrs. Herbert noted that Mr. Stanness was among the original small group of men who played auction bridge regularly and taught others to have foursomes. One of the oldest and longest playing group consisted of Arthur Hall, Fred Cayia Sr., Rudy Hentschell and Stanness, with substitutes including Russell Watson, Stanley Crowe, and Joseph Herbert, all now deceased.

The Who's Who in the U.P. is among writings kept at the Post House museum. The book belonged to Mrs. Herbert's father, the late D. N. McLeod.

MANISTIQUE Townships Get Law Review

The Michigan Townships Association is circulating petitions to ask a return to spring elections for township officials and this proposal will be on the Sept. 1 ballot, Joseph A. Parisi, executive director of the Michigan Townships Assn. said Thursday night at a meeting in Thompson township hall.

Primaries will be held, but the election for township officials will not take place in November if the vote to change is successful. Petitions signed by 300,000 will be needed to put the proposal on the ballot.

Parisi, speaking at a meeting of the Schoolcraft township officers Assn. outlined new legislation passed this year. A number of Delta County township officers also were present.

Water Surveys
The legislation included an act to permit townships to use the grid-coordinate system in describing property, but is not mandatory. When a new subdivision is added, a township can insist on this type of description, which military men found easier to use, with less chance of becoming lost.

Another act provides that county planning commission members may receive the same compensation and mileage as supervisors, with exception of ex officio officers; another provides fees for health services to be set by a county board, and still another grants townships permission to charge park fees, which must not be greater than that charged for state parks.

Looking ahead to the time when more water may be needed, (though the state is surrounded by it), a new law was passed which permits the Water Resources Commission on request of county boards to survey watersheds in an area, to determine if surplus water is available.

Another law permits boards of supervisors to contract with the federal government for maintenance of lake levels. Some money is available for this type program, with local participation varying to as low as 10 per cent or nothing.

Game Fish Bill
Another 1 a w corrects an omission in the school-highway footbridge act, and permits creation of special assessment districts for these.

Township housing is not in the future yet. Only townships with 15,000 or more, and only if there is an acute problem, can utilize this, he said. The provisions have been used seven times downstate.

A law changing and easing laws on township depositories for funds also has been passed, making it possible for a township to deposit in a branch bank. Another permits them to invest in home owners loan bonds and another, in certificates of deposit, provided the banks are members of the Federal Deposit Insurance Corp.

Conservation bills redefining game fish and another providing that fish must not be mutilated so length cannot be determined were read, as were new laws permitting townships to build parking lots and to engage a justice of the peace from a neighboring area if a full-time police officer is employed.

Another provides that the director of conservation may designate time and type of bait for trout fishing in not more than 100 miles of stream.

False Data Law
"It's too bad we live in a society where such legislation is necessary" but a bill was passed this year absolving from civil damages liabilities nurses or doctors rendering emergency service, where a nurse-patient or doctor-patient relationship did not previously exist, said Parisi.

The power of township boards was increased so if necessary funds are not appropriated at the annual meeting, 1/2 of one per cent of assessed valuation may be levied for operating expenses, but not more than \$4,000 in any one year. Other legislation, on fees for attending meetings and fees of constables were discussed.

Two new laws "put the shoe on the other foot," in terms of responsibility for false documents or false representation. Any person under 21 who falsely represents his age to be 21 or over and anyone who gives false information on the age of another to obtain alcoholic beverage is guilty of a misdemeanor under the new law.

Anyone who falsely makes, forges or alters any public record or document to be submitted for record is guilty of a felony and can be imprisoned up to 14 years.

Still another bill provides annual appropriations of \$35,000 each for the four tourist councils in the state.

New legislation sets equalization dates for counties at the first Monday of May, and completion by the state Tax Commission by the end of May. Counties may now purchase insurance for employees, he said.

A close look at township liabilities was urged in view of new legislation on government responsibility for injuries due to defects in streets or roads, which the responsible government or agent knew or should have known about, and should have reported for action.

Time Purchase
A change will be sought in a law which provides that a candidate who has filed petitions or has petitions filed for him must declare which office he will seek or his name will not appear on a ballot. If a candidate for supervisor had filed petitions and someone else (say an opponent) filed petitions for him for clerk, his name would not appear unless he declared. Candidates should be certain to inform themselves whether other petitions are filed for them, to protect themselves, until the legislation is changed, probably by requiring the same certificate of identity as required in other elections.

Also discussed were conflict of newly-annexed area, and the bill which exempts tools, dies and jigs from taxation on a declining schedule from 100 to 25 per cent, effective on a graduated basis, reaching the 25 per cent figure in 1969.

Another law to permit time purchase of fire equipment and apparatus was also passed this year, he said. The contracts to purchase may not extend beyond the life of usefulness and interest may not exceed six per cent on the unpaid balance.

Voting Machines
Permission has been granted to use another political subdivision's canvassing board in an area where a bi-partisan board cannot be obtained otherwise. The Massachusetts ballot will be used in Michigan and effective this fall no straight ballots will be voted, as candidates will be grouped by office. In some Michigan areas which pioneered in use of voting machines, lack of sufficient spaces on the machines will force some to go back to paper ballots, he said.

New legislation signed or in the process of being signed includes a provision to have members of the board of review appointed by the township board, instead of elected, with the supervisor to serve as clerk of the board.

Parisi also discussed some bills which didn't pass, including that on income taxes, which he said he felt a referendum of the people should decide.

About 40 concurrent resolutions were introduced trying to change the new Constitution, he said, but none passed. July 6 is the last day to file petitions to amend the constitution.

Kiddie Parade Slated For Fourth

Mrs. J. P. Quick and Mrs. Edward Doyle have been named co-chairmen for the Kiddie Parade which will start at Triangle Park at 9:15 a. m. July 4th. Any child 1 through 12 may compete. First and second prizes will be awarded to the prettiest. Most original, most patriotic, and funniest. Children will be divided into age groups and prizes awarded to each group. All participants will receive a cash award, ice cream and a favor.

Hospital

Admitted to Schoolcraft Memorial Hospital were Corrine Rasmussen, G. A. R. David Leste, Garden; Bert Barr, 435 Alger; Peggy Maxson, Seney; Betty Clark, Curtis; Renee Manspeaker, Curtis. Discharged were Fred Prater, Gertrude Stephens, Margaret Vanderstar, Mary Giecke, Floyd Cox, Suzanne Minor, Harry McKell, Lou Cummings, Vivian Joslin and baby Beatrice Hanson and baby.

Tobin Is Delegate

Fereny Rated Likely Staebler Running Mate

Claude Tobin of Escanaba and Mrs. Bertine Fenner of St. Ignace were elected Upper 11th District delegates to the Democratic National Convention in Atlantic City Aug. 24 at the Michigan Democratic convention at the Civic Center, Lansing last Saturday.

Harold Beaton of Manistique and Washington, legislative secretary to U. S. Senator Pat McNamara was elected an alternative delegate and so was James Gough of Menominee.

The 11th District caucus at the convention was so well attended that it overflowed the room in which it was held. It reviewed a rapidly developing campaign in the district, which has been spiced by changes in sub-districting caused by the implementation of apportionment under the new Michigan Constitution. Robert Olsen of Escanaba, 11th District Democratic chairman, presided.

The atmosphere of the convention was optimistic about the campaign. "There's no longer any talk of anyone opposing Neil Staebler for governor," said Olsen. "He addressed the convention and said that he expected the Republicans to present 'Goldwater for President and quicksilver for a platform.'"

Ballot Referendum

Olsen said that there was much talk about the Democratic campaign to force a referendum on the recently enacted Massachusetts Ballot for Michigan. Petitions calling for a referendum to knock out the law will be in circulation in Delta County and the rest of the Upper Peninsula this week, said Olsen. The Massachusetts Ballot would prevent straight ticket voting by party identity.

Much of the interest and inquiry at the convention turned on the choice by Governor nominee apparent Neil Staebler, who is now Michigan's congressman-at-large and a former Michigan Democratic chairman, for a running mate at lieutenant governor.

Michigan Democrats at the convention got the impression that Zolton Fereny, the party's state chairman by choice of former Governor John B. Swainson is favored for the lieutenant governor's spot on the ballot. Also mentioned is State Treasurer Sanford Brown, who Fereny had urged earlier to run for congress. Brown's job is evaporating as an elective office and will become appointive under the new Constitution in 1965. A Staebler-Fereny ticket would tend to unite the Staebler-Swainson camps of the Democrats of Michigan who came into collision at the state convention a year ago.

Congress Contest

The Upper Peninsula, which has had two congressional districts, will have only one, the new 11th, in the November election. Both Republican incumbents, Rep. Victor A. Knox (Sault Ste. Marie) in the present 11th District and Rep. John B. Bennett (Ontonagon) in the present 12th District have announced that they are candidates for nomination on the Republican ticket in the new 11th District. It will embrace all the U. P. and seven counties in the Lower Peninsula.

The Democratic ticket shapes up as Atty. Ray Clevenger of Sault Ste. Marie, former state securities commissioner, who has announced his candidacy; Menominee County Prosecuting Attorney Russell Bradley of Menominee, who is expected to announce today

or Tuesday, and Atty. Theodore (Ted) Albert of Ironwood, who is an announced candidate.

Clevenger is rated some edge in the campaigning because of an early start and Albert is regarded as the low man on the totem pole.

Gayeff Candidate

There is no opposition showing yet to Rep. Einar Erlandson of Escanaba, who'll be a Democratic candidate for state representative in the new Delta District composed of Menominee, Delta and Schoolcraft counties. Republican Rep. Clifford Ferras of Nadeau, of the expiring Menominee-Dickinson District said today he'd be a GOP candidate in the new Delta District.

In the new 30th State Senatorial District Sen. Kent T. Lundgren of Menominee, the incumbent, will be opposed by former Mayor Harold Vanlerberghe of Escanaba on the Republican ticket and the bushes are full of Democratic prospects. Prentiss M. Brown Jr., of St. Ignace, is expected by fellow party members to be a candidate. He wasn't at the state convention.

Todd Gayeff of Escanaba was there and said he'd be a candidate. Glenn Moreau of Escanaba was there and he's announced already. Lindsay Frenette of Gulliver is expected to be a candidate if Prentiss Brown isn't. James Dotsch of Garden, a former senator, is still being urged by party members to return to the hustings.

McNAMARA CHAIRMAN

LANSING (AP) — U. S. Sen. Patrick McNamara will lead a 92-vote Michigan delegation determined to be seen and heard at the National Democratic Party Convention in Atlantic City Aug. 24-28.

At the first meeting of delegates after they were chosen at the weekend state convention, McNamara was elected delegation chairman Saturday night.

Vice chairmen elected were U. S. Rep. Neil Staebler, U. S. Sen. Philip Hart and National Committeeman John Swainson. All the elections were by unanimous vote at the meeting at the Jack Tar Hotel here.

At the state convention, Congressman-at-large Staebler received the party's endorsement of his bid to unseat Republican Gov. George W. Romney.

On national issues, the convention adopted a score of resolutions keyed to President Johnson's "Great Society" vision, pledging support especially to strong civil rights measures.

The convention also handed the delegation a mandate to oppose the seating at the convention of the traditional Mississippi Democratic party's delegation, or any delegation which has been chosen under a system discriminating against Negroes.

The convention pledged Michigan's support in helping to seat the delegates, including Negroes, of Mississippi's Freedom Democratic Party, which is expected to compete with the traditional party for convention floor seats.

Russian Troops Remain In Cuba

WASHINGTON (AP) — Sen. Kenneth B. Keating, R-N.Y., says the Soviet Union has stopped withdrawing its troops from Cuba in what may be an effort to "guard the missile sites or to protect the Cuban regime from its own enemies." Keating, on a program recorded for radio and television in New York, estimated Sunday that between 4,000 and 7,000 Soviet troops remain in Cuba.

Russians Served With Pancakes By Walker L. Cisler

DETROIT (AP) — The president of the Detroit Edison Co. electric utility, didn't devote all its time to shop talk when he played host to a touring group of Russian electrical and construction experts Saturday.

Walker L. Cisler made and served pancakes for his 16 guests at the swank Detroit Athletic Club, and the Russians appeared delighted.

"Ask questions," Cisler said. "We have no secrets."

"We have none either," replied Ignaty Trofimovich Novikov, leader of the visiting group and deputy chairman of the U.S.S.R. Council of Ministers.

Each Russian received a tall chef's hat with matching yellow coat, three pounds of buckwheat flour, a griddle and a jug of Michigan maple syrup from the club.

Lady Parachute Jumper Tangled Up In Wires

MONROE (AP) — Mrs. Lillian Wilke's first parachute jump was "beautiful, like being a bird"—until her parachute tangled among 138,000-volt power lines Saturday and she didn't reach the ground for 2½ hours.

"I thought I was going over there," said the 28-year-old mother of three from Oak Park. But she struck a non-electrified support cable running between towers and her parachute looped over two other wires, leaving her suspended 80 feet above ground.

Utility workers rerouted electricity away from the cluster of power lines while firemen held an emergency net below.

Then jumpmaster Robert McTaggart climbed to the end of a swaying, 85-foot ladder on a fire truck and unfastened the complicated parachute rig from Mrs. Wilke. They both climbed down the ladder.

"I wasn't aware of time—but it was long enough, Mrs. Wilke said of her precarious suspended position.

The main force holding her up, said her husband, Gerald, was wind keeping the parachute balloon filled.

"There were many anxious moments," said Wilke, who had jumped just after his wife from a plane, at 2,800 feet, piloted by McTaggart.

Britisher Weds Girl He Won On 5-Cent Lottery

LONDON (AP) — John Butler, 27, is honeymooning today with the girl he won in a 5-cent lottery.

Butler bought a 3-pence (five cents) ticket during a charity drive by students of Birmingham College of Technology.

The prize was a blind date with any member of the college's netball team. Butler won, and chose Jill Teague, now 20.

One date followed another. They were married over the weekend. Said Jill's mother, Mrs. Evelyn Teague:

"People thought the lottery was in bad taste and I must admit I thought it a bit funny. But the outcome could not have been happier. They are ideally suited."

Rower Takes Off For Worlds Fair In 12-Foot Boat

SAULT STE. MARIE (AP) — "Seaway" Tony Calery is off again in his 12 foot rowboat. This time to see the World's Fair.

Two years ago Calery rowed from Sault Ste. Marie to Muskegon—a distance of 400 miles. Calery estimates his boat trip to the World's Fair via the St. Lawrence Seaway will cover 2,200 miles. The rowing enthusiast hopes to reach New York by Labor Day. His first target is Detroit by the Fourth of July.

The golden mamo feather cloak of Kamehameha I, unifier of the Hawaiian Islands, is valued at more than \$1 million.

Auto Slaughter Takes 22 Lives

By The Associated Press
The weekend produced more slaughter on Michigan highways as 22 persons lost their lives. Six died in two separate crashes in west Michigan.

Water accidents claimed nine other victims, including two young brothers and a policeman and his daughter.

The Associated Press weekend tabulation started at 6 p.m. Friday and ended last midnight.

Canadian Flag Debate Opens

OTTAWA (AP)—The Canadian House of Commons opens debate today on Prime Minister Lester B. Pearson's proposal to give Canada its first official flag. Preliminary polls indicate Pearson can count on a slim majority for approval.

Pearson has staked his minority Liberal government on the emotion-charged issue. He has warned that if he is defeated, he may resign and force another national election.

The hotly debated "Pearson pennant," which the prime minister selected from more than 3,000 designs, is white with three red maple leaves in the center joined to a single stem. Narrow blue vertical bars at each end symbolize Canada's motto, "From Sea to Sea."

The resolution before Parliament would establish this as Canada's national flag and retain the British Union Jack as a symbol of Canada's allegiance to the Commonwealth.
